Sub : Revised model qualifications for Scientists and Research Managers in the ICAR system

Sirs,

Consequent upon the introduction of the UGC pay package for the Scientists in ICAR w.e.f. 1.1.1986 the Council had prescribed the model qualifications and experience for various scientific positions vide Council's letter no. 8(3)/95-Per.IV dated 6th February, 1995 and as subsequently amended vide letters of even number dated 7.11.2007 read with 9.5.2008 and 20.11.2008.

With the adoption of the revised UGC pay package and its Career Advancement Scheme, consequent on revision of pay scales of Central Government Employees on the recommendations of the VI Central Pay Commission, a need was felt to revise and realign the existing model qualifications and experience for scientific positions comparable with teaching positions in the Universities.

The Union Agriculture Minister & President of the ICAR Society had constituted a 'Review Committee on ARS' with Dr. R.S. Paroda, former Director General, ICAR and Secretary (DARE) as Chairman, which inter-alia considered this issue also. These revised qualifications have been recommended for adoption, with some fine-tunings by the Committee on ARS.
